

Mr. Joe Cool and the Haunted House

A Short Halloween Skit

Joe Cool: Gee, everybody says this house is haunted, but I come here every day, and I never see anything scary!

(Bat flies in, round and round Joe Cool's head.)

Bat: I'm going to drink your blood and bite your head,
And when I'm finished, you'll be dead!

Joe Cool: Here pretty bird, have some gum. Chew it all up now yum, yum, yum.

Bat: AHHH I'm choking!
(The Bat chokes on the gum and dies.)

(Frankenstein comes in)

Frankenstein: I'm so mean I'll rip you apart,
and I'll scream so loud it will stop your heart!

Joe Cool: The bolt in your neck seems to be loose,
let me tighten it ... wrong way OOPS!

Frankenstein: AHHH! my head fell off!
(Frankenstein runs off.)

(Chopper comes in.)

Chopper: Here comes a candle to light your bed
Here comes a chopper to chop off your head!

Joe Cool: That Axe is so dull it couldn't cut a twig
Give it to me and I'll sharpen it a bit!

Chopper: Don't touch that, NO,
AHHH, you cut off my Arm!

Joe Cool: One mistake and the guy gets mad,
What a sorehead, isn't it sad?

(The Devil comes in.)

Devil: All this nonsense will end real soon
Here I come, prepare for your DOOM!

Joe Cool: You look so thirsty, you need a drink
Here's some water from the church sink!

Devil: OH NO, that's Holy Water, AHHH!
(The Devil disappears in a big POOF!)

Joe Cool: Every day I come here, and I never see anything scary!

(Suddenly a whole bunch of ghosts pop up and yell.)

Ghosts: BOOO!

Joe Cool: Now that's Scarry! AHHH!
